• Uniforms
We are very happy with the way we have been working. It's at a small scale comparatively but very stable which is what we like…

Yup! The fixed model will hit its peak soon. We will have to come up with other models.

So let's see we can explore ways to integrate with Jeebly.

ZOMATO

McDONALD’S

Our delivery TATs are improved remarkably since we have partnered with Jeebly.

We are able to experience a multiplier effect in numbers of order placed by our customers…
